Aims and scope

Journal of Medical & Radiation Oncology (JMRO) publishes manuscripts in the field of Clinical Oncology and connected specialties: Radiology, Nuclear Medicine, Oncological surgery, Pathology, Basic science, Molecular biology, Genetics, Epidemiology, Psycho-oncology/psychiatry, Healthcare and Health Law.

The types of articles that we are publishing are original research, literature review, case reports, short communications, perspective/opinion/commentary manuscripts, and interviews. We do not exclude the manuscripts reporting negative results or those involving more than one specialty.

There is no charge applicable to authors for submission, processing and publishing the manuscripts.

Only manuscripts in English will be accepted.

The Journal of Medical and Radiological Oncology currently has 2 Issues/year.

For more information on the Requirements, please visit our website: www.jmedradonc.org
